Do I need to give a Social Security Number information when I apply?

All persons applying for assistance must provide a Social Security Number (SSN) if they have one (See 42 CFR §435.910; §457.340). A SSN is not required if the applicant is not eligible to receive a SSN, does not have a SSN and may only be issued a SSN for a valid non-work reason in accordance with 20 CFR §422.104, or refuses to obtain a SSN because of well-established religious objections. If you need help getting a SSN, we may be able to help. Call us at 1-855-797-4357. You can also visit www.ssa.gov or call the Social Security Administration at 1-800-772-1213 (TTY 1-800-325-0778).

Some lawfully present people may not have or be eligible for a SSN. They can still apply for assistance without a SSN. You don't need to provide immigration status or SSNs for household members who aren't seeking coverage but providing a SSN can speed up the application process. We'll keep all information you provide private and secure as required by law.

What proof may I need to send to complete my application?

To determine your eligibility, SSNs are used to conduct electronic data matches with state and federal agencies to verify information you provide, such as confirming your identity, citizenship, immigration status, income, or assets. If the information you provide does not match the information we get from these agencies, we may ask you to send us proof.

Proof of income is required for all programs. MaineCare will attempt to verify your income electronically before we ask you for proof. If you are applying for SNAP or TANF, you may need to send in proof of your income. Examples of income verification include pay stubs (most recent four weeks), employer statement verifying gross wages, federal tax return, business records for the last three months, or award letters.

Other proof may be needed depending on the programs you are applying for. Examples of items you may need to verify are listed within the application sections. We will contact you and ask for proof, if needed.

Department of Health and Human Services Non-Discrimination Policy

The Department of Health and Human Services (DHHS) does not discriminate on the basis of disability, race, color, sex, gender, sexual orientation, age, national origin, religious or political belief. Questions, concerns, complaints, or requests for additional information regarding the ADA and programs, services, or activities may be forwarded to the DHHS ADA/Civil Rights Coordinator, at 11 State House Station, Augusta, Maine 04333-0011; 207-287-3707 (V); Maine Relay 711 (TTY); or [ADA-CivilRights.DHHS@maine.gov](mailto:ADACivilRights.DHHS@maine.gov).

Civil rights complaints may also be filed with the U.S. Department of Health and Human Services, Office of Civil Rights, by phone at 1-800-368-1019 or 1-800-537-7697 (TDD); by mail to 200 Independence Avenue, SW, Room 509, HHS Building, Washington, D.C. 20201; or online through Office of Civil Rights (OCR) Complaint Portal at <https://ocrportal.hhs.gov/ocr/>.

Notification of Right to Request a Hearing

We will give you a written notice explaining your benefits. If we deny, change, or stop benefits, we will give you a written explanation of why. If you do not agree with the Department's eligibility decision, you have the right to appeal. You can ask for a hearing by contacting the Office for Family Independence over the phone, in writing, or in person at your local office.

Estate Recovery

Per federal law, if you are age 55 or older and receive MaineCare (Medicaid) to pay for nursing facility services, home and community-based waiver services, and any related hospital and prescription drug service, the State may make a claim on the assets of your estate (upon your death) to recover money that MaineCare (Medicaid) has paid for your care. No claim will be made if the only benefit you get is Medicare Savings Program (Buy-in).

For more information about the Estate Recovery Program, call 1-800-977-6740.

Good Cause

If you are an adult applying for TANF or MaineCare benefits, the law requires you to cooperate with establishing paternity and seeking support. You may be excused from these requirements if you prove it may be dangerous for you and/or your children. This is known as good cause.

Voter Registration

If you are not registered to vote where you live now and would like to apply to register to vote, you can download and print a Maine voter registration application at <https://www.maine.gov/sos/cec/elec/voter-info/voterguide.html>. Applying to register or declining to register to vote will not affect services or benefits from this agency.

I understand that the information provided on this application may be verified by financial institutions, consumer reporting, and federal and state agencies. If information cannot be verified, I agree to provide documents to prove what I have stated on this application. If I have given incorrect information, my benefits may be denied.

If a MaineCare or TANF eligible child has a parent who lives outside of the home, I know I'll be asked to cooperate with the agency that collects support from an absent parent. If I think cooperating to collect medical or financial support will harm me or my children, I can tell the Office for Family Independence and I may not have to cooperate.

I understand that if anyone on this application is eligible for MaineCare (Medicaid or CubCare), I am giving the Medicaid agency the right to pursue and get money from any other health insurance, legal settlements, or other third parties. I am also giving the Medicaid agency rights to pursue and get medical support from a parent.

I am signing this application under penalty of perjury. That means, to the best of my knowledge, I gave true, correct, and complete answers to all the questions on this form, including information concerning citizenship and immigration status for all persons applying for benefits. I know that I must tell the Office for Family Independence if anything changes and is different than what I wrote on this application. I understand that a change in my information could affect my eligibility as well as eligibility for members of my household. I know that I may be subject to penalties under federal law if I intentionally provide false and/or untrue information.

Who you include in this application depends on the type of benefits requested.

In accordance with federal civil rights laws and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Programs that receive federal financial assistance from the U.S. Department of Health and Human Services (HHS), such as Temporary Assistance for Needy Families (TANF), and programs HHS directly operates are also prohibited from discrimination under federal civil rights laws and HHS regulations.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or who have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

USDA provides federal financial assistance for many food security and hunger reduction programs such as the Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) and others. To file a program complaint of discrimination, complete the [Program Discrimination Complaint Form](#), (AD-3027) (found online at: [How to File a Complaint](#), and at any USDA office) or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

1. **mail:** Food and Nutrition Service, USDA
1320 Braddock Place, Room 334, Alexandria, VA 22314; or
2. **fax:** (833) 256-1665 or (202) 690-7442; or
3. **phone:** (833) 620-1071; or
4. **email:** FNSCIVILRIGHTSCOMPLAINTS@usda.gov.

For any other information regarding SNAP issues, persons should either contact the USDA SNAP hotline number at (800) 221-5689, which is also in Spanish, or call the [state information/hotline numbers](#) (click the link for a listing of hotline numbers by state); found online at: [SNAP hotline](#).

HHS provides federal financial assistance for many programs to enhance health and well-being, including TANF, Head Start, the Low Income Home Energy Assistance Program (LIHEAP), and others. If you believe that you have been discriminated against because of your race, color, national origin, disability, age, sex (including pregnancy, sexual orientation, and gender identity), or religion in programs or activities that HHS directly operates or to which HHS provides federal financial assistance, you may file a complaint with the Office for Civil Rights (OCR) for yourself or for someone else.

To file a complaint of discrimination for yourself or someone else regarding a program receiving federal financial assistance through HHS, complete the form online through OCR's Complaint Portal at <https://ocrportal.hhs.gov/ocr/>. You may also contact OCR via mail at: Centralized Case Management Operations, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Room 509F HHH Bldg., Washington, D.C. 20201; fax: (202) 619-3818; or email: OCRmail@hhs.gov. For faster processing, we encourage you to use the OCR online portal to file complaints rather than filing via mail. Persons who need assistance with filing a civil rights complaint can email OCR at OCRAid@hhs.gov or call OCR toll-free at 1-800-368-1019, TDD 1-800-537-7697. For persons who are deaf, hard of hearing, or have speech difficulties, please dial 7-1-1 to access telecommunications relay services. We also provide alternative formats (such as Braille and large print), auxiliary aids and language assistance services free of charge for filing a complaint.
